

# Introducing SherloQ™

Powered by IBM Watson

Driving The World's  
AI-Enabled Websites

PATENT PENDING

## LEAD YOUR INDUSTRY

### The Internet has changed, but has your website?

Lead your industry and drive new revenue by partnering with SherloQ™, powered by IBM Watson. Your website is at the core of driving new business growth and digital marketing performance. That's why SherloQ™ is powering the world's best performing websites, websites that are driven by AI. Are you ready?

**Simple to Install. World-Class Technology. Best-of-Breed Partners.**

SherloQ™ was founded on the core belief that human intelligence is the best intelligence and that blending the two can drive efficiency and real profits for businesses of all sizes.

We believe that:

- The combination of the human touch and artificial intelligence is the nexus of productivity across your client's business.
- Your data is your data. At SherloQ™, our philosophy is that your data belongs to you and should be easily accessible by you.
- Fully trained artificial intelligence empowers people to improve their business' website at every level.
- SherloQ™ easily installs onto your existing website creating a powerful AI framework. Work with us directly or through a SherloQ™ approved agency or developer to get started.

Our customer support team is available to help you get started and answer any of your questions.
