WHAT DOES YOUR INTELLIGENCE LOOK LIKE?

Get smarter with every incoming lead. SherloQ™ sends out Intelligence Reports that include actionable insights for your business that are only available to you, **not your competitors.**

- Advertising platforms have removed critical information from their systems, such as search queries and keywords, leaving marketers blind to their maximum campaign potential.
- With all incoming leads delivered to SherloQ™ in real-time, the platform uncovers search queries and terms that consumers are using and determines their relevancy to your business.
- SherloQ™'s daily Intelligence Reports deliver marketing data that can help to optimize your business in the following ways:

SherloQ™ provides marketers with a level of information that is otherwise missing, arming them for long-term growth and business success.
